Please note that the Assignment was recorded on March 31, 1998, at REEL 9083, FRAME 0248.

Sir:

Your petitioner, Southwestern Bell Telephone Company, a corporation of the State of Texas, whose business address is One Bell Center, St. Louis, Missouri, 63101, represents that it is the owner of record of the entire right, title and interest of the above-identified application by virtue of an assignment recorded in the U.S. Patent and Trademark Office on March 31, 1998 (in Parent Application No. 09/050,871) at Reel 9083, Frame 0248 for "USER INTERFACE AND SYSTEM TO FACILITATE TELEPHONE CIRCUIT MAINTENANCE AND TESTING".

The undersigned is an attorney or agent of record authorized to act on behalf of the assignee in the filing of this terminal disclaimer.

Your petitioner, Southwestern Bell Telephone Company, hereby disclaims, except as

P24200.A03

provided below, the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent No. 6,687,335, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,687,335, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assignees.

Petitioner does not disclaim any terminal part of any patent granted on the above identified application prior to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and §173 as presently shortened by any terminal disclaimer of U. S. Patent No. 6,687,335 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the failure of common ownership stated above.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are

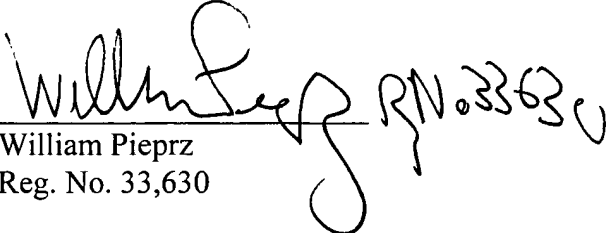

P24200.A03

punishable by fine or imprisonment, or both under Section 1001, Title 18 of the United States

Code, and that such willful false statements may jeopardize the validity of the application or any

patent issuing thereon.

Respectfully submitted,
William R. Jones et al.
